

Dealers / Resellers.

Become a Dealer:

Do you wish to become a dealer or value-add reseller in your area? Are you a consultant or a supplier to the Hospitality industry? If you are already trading in the industry then you can easily become a reseller of our product. Even if you don't want to get too involved with technology, you can still earn a finder's fee, just by recommending us to prospective clients.

3rd party technology:

Do you supply technology like POS, Telephone Management Systems, Payroll, Access control, Door Locks or Video systems? Our products can integrate to provide a complete solution. We are willing to integrate with any credible products. We are not limited or tied to specific brands; we allow the customer to make that decision.

Computer hardware suppliers:

You can get your foot into the hospitality industry and make hardware sales by associating with us. Please read our [hardware spec](#) .

Training:

We will train you so that you can represent our products with confidence. The more knowledge, experience and skill that you have, the more value you will add and, therefore, the more you can earn.
